## EXPERIENCE

### Keeper Security - Chicago

Senior UX/UI Designer | Oct 2023 - Mar 2024  
UX/UI Designer | Sep 2021 - Oct 2023

- Headed the complete UI redesign of the web, desktop, iOS, Android, and browser extension of credential manager apps including an all new design system to meet high standards of craft, user delight, Web Content Accessibility Guidelines.
- Led the design and launch for saving, using and managing of the new passkey sign-in credential across all platforms.
- Designed an enhanced search system of suggestions and filters for consumer and enterprise users to find items faster and more intuitively.
- Owned design of complex role policies for restricting record creation and sharing, including admin tools and end user interactions.

### Freelance - Remote

UX/UI Designer | Feb 2021 - Oct 2021

Responsible for end-to-end design and launch of e-commerce marketplace and website for B2B services platform Shape Connect. Provided product strategy, implementation guidance and QA testing.

### Carnelian Inc. - Chicago

UX/UI Designer | Mar 2020 - Feb 2021

Worked closely with stakeholders and engineers to design and launch a dashboard and website for retail education platform Progress Retail, and created branding and an e-commerce site for a supplement startup.

### Galbraith Carnahan Architects - Milwaukee

Architectural Designer | Dec 2017 - Dec 2019

Designed commercial and residential buildings, interiors, and furnishings. Owned projects from conceptualization to completion including iteration, 3D modeling and rendering, accessibility/code compliance, documentation drawings, and collaborating with stakeholders, engineers, and contractors.

### Milwaukee Institute of Art and Design - Milwaukee

Design Instructor | Aug 2015 - Dec 2019

Created and taught unique design and architecture courses in 3D modeling and furniture design preparing students to land internships 1 year earlier.

### The Good Land Studio - Milwaukee

Co-Founder, Industrial Designer, Fabricator | Sept 2011 - Dec 2017

Built a design/build studio specializing in original restaurant/home interiors, and bespoke furniture. Owned all aspects of business including design, strategy, contracts, fabrication, project management, and finance.
